The Rising Desk

The Rising Desk

The trend has shifted. Alternating between standing at work
Has proven throughout the years that employees are encourage
To stand for work, meeting and interaction.

The studies shown that, by standing it helps to reduce fatigue and
Strain on our body and thus promote better movement and improve
Blood circulation.

In KOKUYO, we try to achieve what is best for the employee in the Organization.
VIEWRISE is designed to perform the flexibilities and quick alternating between
Standing and sitting. If the user choose to stand, they can easily adjust the height
Of the table via the operating lever.

We believe by providing this integrated function, it helps to create a more productive
Environment.

Height range from 675 – 1050mm

From Seat to Stand.

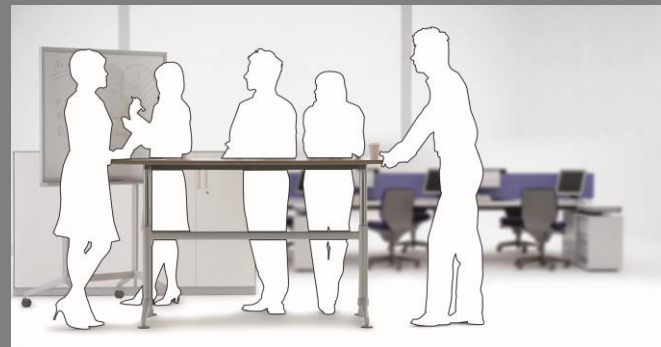

VIEWRISE can be configured to suit all different usage.
It also cater for individual requirements right down to the smallest details.
With its various table sized, it fulfills all standard requirements.
As such, VIEWRISE aim to promote better work efficiency.
